DESCRIPTION

The CUSTOM GAME is the ideal headset for all gaming and multimedia applications as well as Voice over iP applications. The detachable gooseneck microphone can be ideally positioned and provides maximum intelligibility of speech when playing and phoning. With the "CUSTOM Sound Slider" bass reflex vents at the housing shells the sound can be selected in four stages from an analytical sound to a rich, full bass. The remote control integrated in the cable with features such as microphone mute, volume control as well as temporary mute button is always within reach. No matter whether PC or console, the supplied Y-extension cable ensures the freedom of choice to connect a device.
